

Membership

Membership dues are needed to provide for publication and mailing costs of the Blood-Letter. We also use these funds to pay for author expenses, including the Spotted Owl plaque we present to our winning author. There are also fees for the Post Office Box and for Return Postage fee deposit. There is a non-profit State of Oregon fee and charges for our web site. We are fortunate that Good Samaritan provides our meeting space and that Bill Cameron volunteers his talents as our web master. Our membership year runs from September 1st to the following August 31st. Please check your name and address printed on the Blood-Letter to see if you are up-to-date. If not, please send in your membership renewal without delay.

Membership Renewal

FOM memberships coincide with our Bloody Thursday program schedule which runs from September 1st to the following August 31st. The expiration date of your membership is printed at the top of the mailing label. Dues are \$20.00 annually. Friends of Mystery is a 501(c)(3) non-profit organization. Dues and additional donations are deductible to the full extent of the law.
